Outfitters, Guides, and PH's

Use the SCI Record Book of Big Game Animals to advertise your hunting business to the world's best network of Big Game Hunters
Start submitting your client's Record Book entries today!

After your client harvests an animal that meets the SCI bronze minimum, have them complete the "Hunter" portion of the SCI score sheet and have the species measured by an active SCI measurer. For those clients who want anonymity, have them check the "Anonymous Submission" box on the method form (2017 forms or newer) and their name will be replaced with their unique membership number when published.

* Guide/Outfitter entry price is $25 per entry. 29% off the Regular price of $35. If it's your client's first SCI RB entry, their first entry is free!

Guides/Outfitters send in the score sheet and field photo with this exclusive coupon. If your client is not a member of SCI, purchase them an SCI membership for only $35 (a $30 discount) or international membership for $65.

Additional Guide/Outfitter discounts:
* Buy an SCI plaque for your business and get the second plaque for the member half off.

*Market the submission of all Record Book entries for SCI members as an added service you provide our World Hunting Award participants!

* Guides and Outfitters can also take advantage of the Online Measuring Course for only $75 plus shipping and handling (50% discount on the kit)!

Submit the attached coupon with each entry to receive a discount on the entry, plaques, and the required membership.
