The Board shall decide the number of and categories of membership, as well as the membership and special dues. Membership shall automatically lapse for non-payment of the membership dues 60 days after invoicing. Certificates of membership may be issued as the Executive Committee may decide and shall be signed by the President and the Secretary.

2.3 A member may resign by notice in writing to the Secretary. Membership dues are not refundable, and any amounts due to SCI shall remain payable.

2.4.1 Membership may be denied, terminated, suspended or made subject to special terms by SCI in the following circumstances:

- a. A violation of the following provisions of SCI's Sportsmen's Code of Ethics:
 - i. To comply with all game laws;

- h. A conviction of or a plea of guilty or nolo contendere to any felony or a misdemeanor involving moral turpitude or fraud.

2.4.2 No complaint shall be considered if more than three years has elapsed from the time of the alleged violation to the date the Complaint is made. This period (a) does not begin to run, in the case of a prosecution for a violation of a game law, until the prosecution, including appeals, has resulted in a final

adjudication; and (b) does not begin to run until the person or committee making the Complaint could reasonably have known of the alleged violation.

2.4.3 A conviction of or final ruling for a violation of a game law in any court, tribunal or other forum with jurisdiction over game laws where the punishment includes a loss of hunting privileges for five years or more, a prison sentence of 30 days or more, or a fine of at least US\$5,000 (or equivalent in any foreign currency at the time of conviction) shall result in automatic expulsion from SCI. Membership may be reinstated if the conviction or final ruling is set aside or reversed.

2.4.4 Suspension pending conclusion of a case

(a) Mandatory Suspension. Subject to approval of the Executive Committee, any member against whom the Ethics Committee has opened a case involving:

A hearing shall be held as soon as the Ethics Committee is able to convene, and in any event within four weeks of the initiation of the case. If the person charged declines, does not accept, or does not respond to the offer of a hearing, or if the Ethics Committee considers he has failed to cooperate in scheduling or holding the hearing, the suspension shall go into or remain in effect.

(d) A suspension under this Article will remain in effect until the conclusion of the case.

2.4.5 Unless a case is dismissed by the Ethics Committee, the final decision in the case will be made by the Board. In reaching its decision, the Board may accept, reject in whole or in part or modify any recommendation by the Ethics Committee, and the Board is not required to state the reasons for its decision. There is no right for a person charged or his representative to appear before the Board. The decision of the Board is final, unless the person charged files a written request for reconsideration with the Ethics Committee within 30 calendar days of the final decision. A request for reconsideration must be based on newly discovered facts or evidence, which must be clearly stated in detail in the request. The Ethics Committee shall consider the request in its sole discretion. Only one request for reconsideration from a final decision of the Board is permitted.

2.4.6 A person charged may accept the finding and the sanction proposed by the Ethics Committee, in which event the case is concluded. In making its recommendation for sanction, the Ethics Committee, in its sole discretion, may offer a lesser sanction than that originally proposed.

3 BOARD OF DIRECTORS

3.1 The property, affairs, business and policies of SCI are managed by the Board, which consists of:

- a. The Officers;
- b. The Past Presidents' Council members;
- c. Regional Representatives;
- d. Presidents of SCI or SCI Foundation chapters which are in good standing in accordance with SCI's Policies and Procedures;
- e. Up to 20 Directors-at-Large;
- f. Up to 8 International Directors; and
- g. By reason of their offices, the chairs of the standing and ad hoc committees (without vote).

3.2 Any Board member (other than a past President or Chapter President) who does not attend at least one Board meeting in any calendar year will be suspended from the Board for the following calendar year. The Chief Executive Officer shall monitor attendance and shall report to the Board in September of each year. The suspension is automatic but may be waived by the Board if it considers there is just cause.

3.3 If it is determined that a chapter is not in good standing when notice of a Board meeting is given, the president of that chapter shall only be entitled to attend that Board meeting as a director if the chapter comes into good standing more than 30 days before the meeting.

3.4 If any Director-at-Large, International Director or Regional Representative is unable or unwilling to serve, the Board may appoint a substitute nominated by the President and approved by the Executive Committee to serve without vote on a temporary basis until his election is confirmed at the next meeting of the Board.

3.5 The Board shall set a minimum Reserve in respect of a Fiscal Year, and may approve circumstances in which the Reserve may fall below that minimum. If the Board does not set a minimum Reserve before the start of a Fiscal Year, it shall do so during that Fiscal Year, and until it does so the last minimum Reserve, if any, and approved circumstances for a reduction, if any, shall apply.

3.6 The Board shall establish, and may modify from time to time, the responsibilities of a Director-at-Large.

3.7 Each Regional Representative shall be the principal liaison between SCI, SCI Foundation and the chapters in a designated geographical region, identified by a region number. He shall organise new chapters in the region, and assist the President in his duties in the region.

3.8 An International Director shall in co-ordination with the Regional Representative help start new chapters and visit and guide chapters in the region, and at the request of the President or the Regional Representative, represent SCI at meetings of national or international hunting or conservation organizations.

3.9 Board Meetings.

3.9.1 The Board shall have three regular meetings each year, in the winter in association with the SCI Annual Hunters' Convention, in the spring, and in the summer. Special Board meetings may be called by the President or by 25% of Board members.

3.9.2 The Secretary shall give notice to Board members at least 30 days before a regular meeting and 15 days before a special meeting, except notice of the date of a regular meeting set by the Board is not required. The notice shall state the place, date, time and purpose of the meeting, whether it is being made at the direction of the Board or the President, and the rules relating to proxy voting. A Board member may waive notice in writing at any time and shall be considered to have waived notice if he attends the meeting without protesting the lack of notice.

3.9.3 The quorum is one third of Board members entitled to vote on the date of the meeting. If there is no quorum at the beginning of a meeting, the President or the Board may recess the meeting until a quorum is present, or the President may adjourn the meeting. A quorum shall be presumed unless it is raised in a point of order immediately after the meeting is called to order. Chairs of standing and ad hoc committees not otherwise members of the Board shall not count towards a quorum.

3.9.4 A Board member may participate in a Board meeting by remote means such as conference telephone or videoconference hook-up where all participating Board members can simultaneously hear each other during the meeting. This shall not apply to meetings held at the annual SCI Hunters' Convention, and it is subject to the Board member notifying the Chief Executive Officer in writing at least two weeks before the date of the meeting.

3.9.5 The following matters shall be considered at a regular Board meeting:

- b. The Treasurer shall make a report of receipts, expenditures and the financial condition of SCI; and
- c. Such other matters as may be submitted to the President or Secretary.

3.9.6 A Board member attending a meeting in more than one capacity shall cast one vote only. Cumulative voting is prohibited and Board members other than Chapter Presidents may not appoint a proxy. Chapter Presidents may appoint a proxy if they cannot attend a Board meeting, or they will attend and vote in another capacity. If a Chapter President cannot appoint a proxy he may appoint the Board of Directors of the Chapter as his attorney-in-fact to appoint a

proxy. If the proxy is a member of more than one chapter, he must have been a member of the Chapter President's chapter for at least six months. This shall not apply if the Chapter President's chapter was chartered in the six months prior to the meeting. The Chapter President or his attorney-in-fact must complete an appointment form and return it to the Secretary. The form will be valid for one month unless it specifies a different period.

3.9.7 Any proposed motion or resolution that is not procedural must be submitted prior to the meeting in writing. Except for meetings in executive session, the motion or resolution, and any amendments to the motion or resolution other than those considered minor by the chairman, must be visually displayed before discussion and voting.

3.9.8 The Board may act by written signed consent of all Board members entitled to vote. The resolution must record the action and may be recorded in one or more documents, and shall take effect as a vote of the Board on the date that the last Board member signs, unless another date is specified in the resolution. A Board member may revoke consent by delivering a signed revocation of consent to the President or Secretary before the last Board member signs the consent.

3.9.9 The Secretary shall keep written minutes of Board meetings. The minutes may record the matters discussed and action taken, including any motion and its maker, and if requested, the names of Board members who voted against the motion. The minutes shall not record the discussion of the matter except where a Board member has requested that his position be stated in the record. Once approved by the Board, the minutes shall be the official record, and any other records shall be destroyed, provided that attachments to the motions which contain the substance of matters considered by the Board, including ballots, shall be retained as necessary to explain the action of the Board and shall be considered a part of the minutes. The Secretary shall publish the bylaws on proxy voting annually in the Official Journal containing the Election Commission report.
