

Hunter Action Fund Luncheon

FRIDAY, JANUARY 24, 2025

TIME: 11:30AM – 1:00PM PLACE: MARTIN'S BBQ, 410 4TH AVE. S, NASHVILLE, TN

About the event:

The luncheon provides you with the opportunity to contribute to the fight for our hunting freedoms all while giving you the chance to bid on exclusive auction items, hear from elected officials, and show unwavering support for hunting freedoms. Advocacy is the core of SCI's mission. With threats facing the hunting community from every state and every corner of the globe, our advocacy efforts have increased to meet these increasing challenges. One of the ways SCI supports pro-sportsmen elected officials in Congress who fight for the freedoms of hunters is through the Hunter Action Fund (HAF) which is the ONLY pro-hunting super PAC. HAF continues to play a critical role in getting hunters out to vote and electing pro-hunting legislators that fight to protect the freedom to hunt.
